- Stop and control water volume
- Built-In filter
- Water saving

Safety Thermostat / Thermal Cut-Out

- Anti scalding
- Overheating protection

Splash Proof Protection IP25

- Against water splash
- Safety certified

5 SPRAY OPTION TO SATISFY YOUR SHOWER DESIRE

JET Spray

Select this option to ease stiff muscles and shower off the day's stress with a steady flow of pulsating, high-pressured water.

MIXED Spray

A combination of wide spray and jet spray gently refreshed tired muscles after a hard day's work.

WIDE Spray

Perfect for nice, long shower. Spreads the pressure evenly across your body to ensure a wonderfully satisfying session.

MAXI Spray

A combination of wide and medium spray to offer a powerful, ring-shaped massage to soothe your body and revive your spirits..

MEDIUM Spray

Broad water pressure offers a delightfully healing shower session, very time.
